Yes, the wind blows a little bit colder — And we're all getting older —
And the clouds are moving on with every autumn breeze — Peter Pumpkin just became fertilizer —
And my leaf's a little sadder and wiser — That's why I rely on certain certainties —

Yes, some things never change — Like the feel of your hand in mine
Some things stay the same — Like how we get along just fine
Like an old stone wall that'll never fall Some things are always true
Some things never change — Like how I'm holding on tight to you —

The leaves are already falling — Sven, it feels like the future is calling
Are you telling me tonight you're gonna get down on one knee? —
Yeah, but I'm really bad at planning these things out — Like candlelight and pulling of rings out
Maybe you should leave all the romantic stuff to me —

Yeah, some things never change — Like the love that I feel for her
Some things stay the same — Like how reindeers are easier
But if I commit and I go for it — I'll know what to say and do — Right?
Some things never change — Sven, the pressure is all on you —

— The winds are restless — Could that be why I'm hearing this call?
— Is something coming? — I'm not sure I want things to change at all
These days are precious — Can't let them slip away
— I can't freeze this moment — But I can still go out and seize this day — Ah-ah-ah-ah-ah-ah

The wind blows a little bit colder — And you all look a little bit older
It's time to count our blessings — Beneath an autumn sky —
We're always living in kingdom aplenty — That stands for the good and the many
And I promise you the flag of Arendelle will always fly
Our flag will always fly — Our flag will always fly (Our flag will always fly)

Some things never change — Turn around and the time has flown
Some things stay the same — Though the future remains unknown
May our good luck last — May our past be past — Time's moving fast, it's true
Some things never change — And I'm holding on tight to you

Holding on tight to you — Holding on tight to you — I'm holding on tight to you
Holding on tight to you
