

Let It Go — Idina Menzel

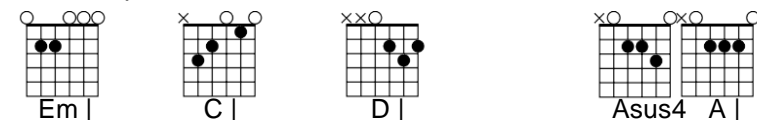

Capo: 1 Play Key: G Original Key: G# 4/4

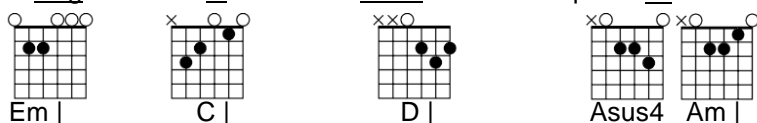

The snow glows white on the mountain tonight

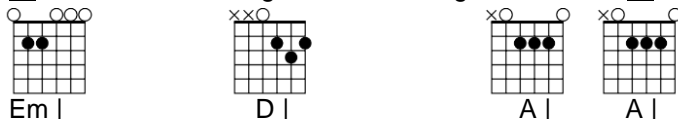

Not a footprint to be seen

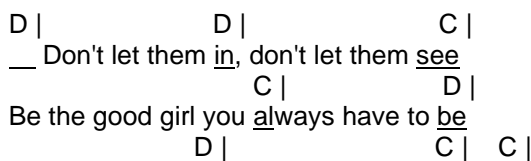

A kingdom of isolation. And it looks like I'm the queen

The wind is howling like this swirling storm inside

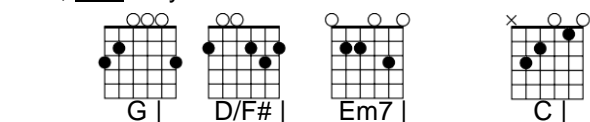

Couldn't keep it in, heaven knows I've tried

Conceal, don't feel, don't let them know

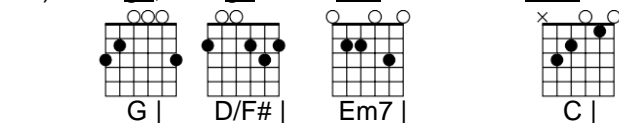

Well, now they know

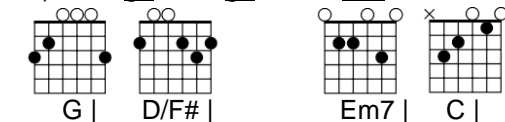

C1) Let it go, let it go. Can't hold it back anymore

C2) Let it go, let it go. I am one with the wind and sky

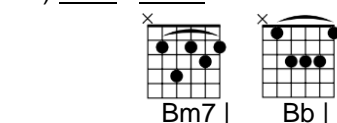

C1) Let it go, let it go. Turn away and slam the door

C2) Let it go, let it go. You'll never see me cry

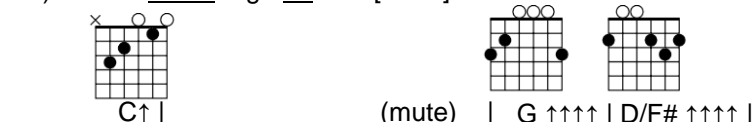

C1) I don't care what they're going to say

C2) Here I stand and here I'll stay

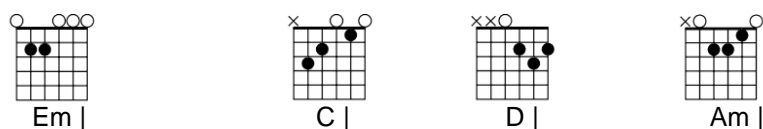

C1) Let the storm rage on

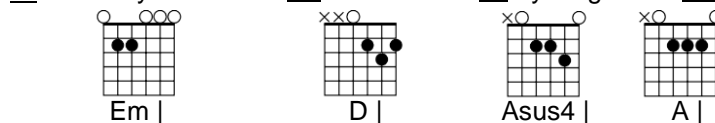

C2) Let the storm rage on => [Bride]

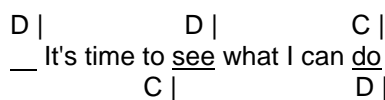

C1) The cold never bothered me anyway

It's funny how some distance makes everything seem small

And the fears that once controlled me can't get to me at all

It's time to see what I can do

To test the limits and break through

No right, no wrong, no rules for me. I'm free => C2

[Bridge]

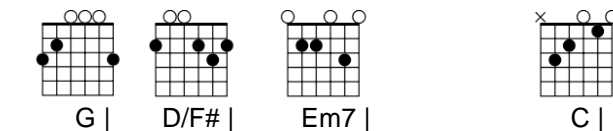

My power flurries through the air into the ground

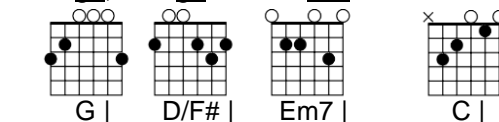

My soul is spiraling in frozen fractals all around

And one thought crystallizes like an icy blast

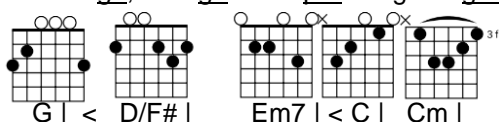

I'm never going back, the past is in the past

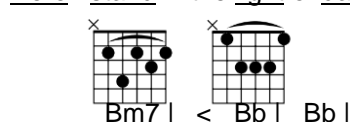

Let it go, let it go. And I'll rise like the break of dawn

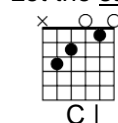

Let it go, let it go. That perfect girl is gone

Here I stand in the light of day

Let the storm rage on

The cold never bothered me anyway
