

Centuries — Fall Out Boy

Capo: 0 Key: Em 4/4

Some legends are told Some turn to dust or to gold

But you will remember me Remember me for centuries

If just one mistake Is all it will take

We' ll go down in history Remember me for centuries

Remember me for centuries

[Verse]

___ Mummified my teenage dreams ___ No it's nothing wrong with me

The kids are all wrong, the story's all off

Heavy metal broke my ___ (heart)

Come on come on and let me in

Bruises on your thighs like my fingerprints

This is supposed to match, the darkness that you felt

I never meant for you to fix yourself

Repeat [Chorus]

I can't stop until the whole world knows my name

'cause I was only born inside my dreams

Until you die for me, as long as theres a light

my shadows over you 'cause I-I am the opposite of amnesia ___

and you're a cherry blossom, you're about to bloom

you look so pretty but you're gone so soon

Repeat [Chorus]

[Bridge]

We've been here forever and here's the frozen proof ___

I could scream forever we are the poisoned youth ___

[Instrumental]

Repeat [Chorus]
