

Capo: 1    Play Key: C    Original Key: C#    4/4

| Cadd9   D |    Em7    D |    Cadd9   D |    Em7    D |

Cadd9 D |                      Em7                      D |                      Cadd9                      D |                      Em7 D |

A1) Hey, you're all acting so weak until I trained you. Can't even fight, and that's the issue. Now it's OK

A2) We,                      took them down like the frail without truce.    Victory is that what seems true. Yeah we won't fail

Cadd9 D |                      Em7                      D |                      Cadd9                      D |                      Em7    D |

A1) Hey,                      we tell our foes it was nice to meet them. But I'll guess we'll never see them again

A2) Slay, and play that creep Disk 13 song,                      that we won't forget in time long, OK

Cadd9                      D |                      Em7                      D |                      Cadd9

B)    We wish upon the stars, crossed through the biomes in a signing march, and

                    D |                      Em7                      D |

B) through years we fall. Now I'm getting stronger with these battle scars,

Cadd9 D |                      Em7    D |    Cadd9 D |                      Em7    D |

B) I                      can't stop.                      No, I                      can't stop

Cadd9                      D |                      Em7                      D |                      Cadd9                      D |

C) Our enemies will cower, from my large forces and power. We're equipped with diamond swords,

                    Em7                      D |                      Cadd9                      D |                      Em7                      D |

C) and an arsenal of creepers. An army of undead fighters, and archers made out of bones

Cadd9                      D |                      Em7                      D |

C) We are always getting stronger. Every raid we're getting richer

Cadd9 D | Em7    D | Cadd9 D |                      Em7                      D |

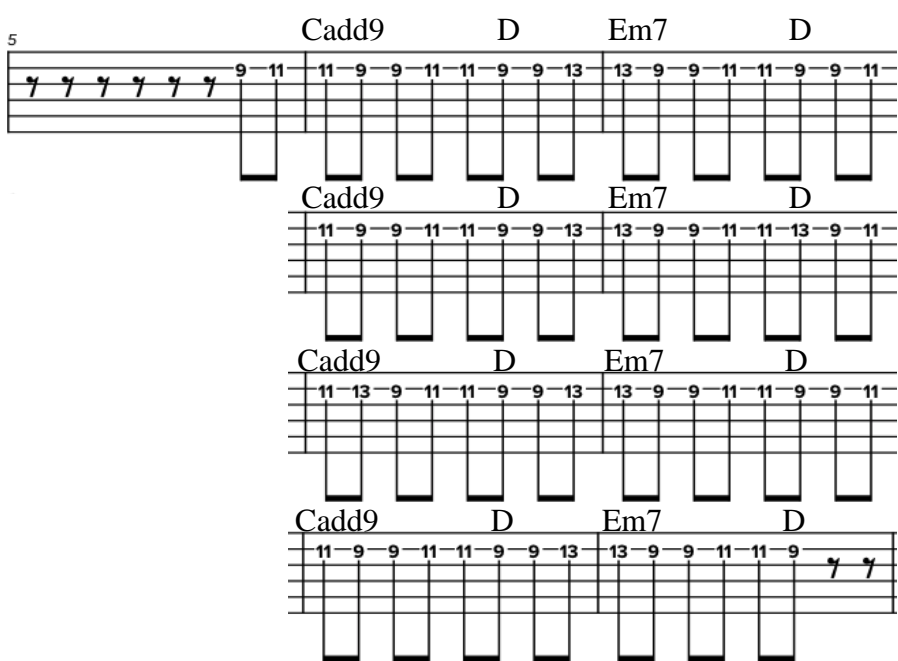

C)                      Every raid we're getting richer

C)                      Every raid we're getting richer

Repeat A2 B C C

Cadd9   D | Em7    D | Cadd9   D | Em7    D |

5                      Cadd9                      D                      Em7                      D

Cadd9                      D                      Em7                      D

Cadd9                      D                      Em7                      D

Cadd9                      D                      Em7                      D

Cadd9                      D                      Em7                      D
